

Jhadten Jewall

*Jhadten Jewall (*1951) studied linguistics, literature, philosophy and education in Basel. He lived in Switzerland for 10 years and Japan for 8 years. He has taught at university and studied Zen as well as delving deeply into the metaphysical world of knowledge.*

His training in the metaphysical world consists of crystal healing, shamanism and various modes of vibrational healing, work with aboriginal cultures; he has also learned to channel and work vibrationally with groups to activate the structures of the future within. Jhadten lives in Canada and teaches world wide as well as guiding sacred journeys. He is an avid sound healer and produces CDs to that purpose.

Jhadten is a talented facilitator with a great sense of humor. He knows how to teach undogmatically and emphasizes the need for the pursuit of personal truth in all matters.

Jhadten perceives energy intuitively and has learned to draw close approximations of what he sees. Below is an example of this kind of imagery: the City of Light Tillsonburg, Ontario (© 2010 Jhadten Jewall).

The Magical Union: A Key to Embracing Life Fully

The Crystalline Wand of Power enables you to manifest the kind of life you have always longed for in all of its richness and fulfillment.

What is the Crystalline Wand of Power?

In times of great change we all feel the need to be more in our own power than ever before. This need is born of our consciousness at this time which has reached a level of self-awareness never known on the planet before. In the fall of 2010 we will have access to new possibilities, to strengthen the abilities of our consciousness and to apply these, in order to create the most harmonious and best life possible for us at this time.

The year 2010 is defined by the power of the Earth Goddess. Her energy increases creating great changes on Earth, volcanoes and earthquakes, as well as emotional and mental changes of equal strength. All systems are in a process of transition. The increased healing energies of the Divine Feminine (Mary Magdalene) within our consciousness leads to an increased healing of the Divine Masculine (Sananda). The resulting dynamic of the two leads to a higher elevated state of awareness. The intensity of this process continues into 2011 by the emergence of the Fire Goddess, or the Divine Feminine in its most potent spiritual expression. This alchemy is the work of the Breath of the Command (collective soul group mission of Canada): Living from a place of Divine Consciousness and awareness where all your deepest dreams can come true. Activating the City of Light Tillsonburg is also activating the soul's purpose. The emphasis during this activation on the crystalline purity of the prana tube magnifies the experience of Divinity greatly: empowering and uplifting is the resulting experience.

The ever-increasing amount of world wisdom of all ages that is accessible to us now through media and internet has led to our ability

to live much more consciously than ever before. We have come to realize that we can determine the kind of life we lead to a greater extent that we had ever imagined. These new "levels and abilities of consciousness" we shall call the 'crystalline wand of power'. Each of us can use and understand these abilities. This wand functions like a new backbone of strength within us. It is easily accessible through the breath, which connects to the 'prana tube', the centre of life force in our bodies. This wand is the basis for being in our True Self when creating our realities and to be in our optimal state of health and happiness.

In this workshop you will learn....

- to manifest your deepest desires
- to create successful and harmonious relationships
- to experience peace and fulfillment in all aspects of your lives
- to experience safety and security in everyday life

How the workshop is designed.....

The new abilities are transmitted through initiations and guided meditations as well as practical exercises. The anchoring, grounding and embodying of these new abilities is achieved as well through the use of sacred sound and intonations.

What will you take from this workshop?

- the abilities learned can be applied immediately to your everyday life
- an experience of your Self and the insight: "You deserve a happy, peaceful and fulfilled life"
 - more security on a daily basis
 - more peace with yourself, others and the world
 - more joy in life, at work or at play
- a greater experience of and merging with the full potential that you have, to create your reality in rich and fulfilling ways.

Sacred Sound Event

on Sunday, Sept 12, 2010

On this special day, the 12/09/10, the ritual of Rishi Panchami, a day to remember the contributions of great spiritual teachers to society, a special ritual for Mother Earth from the Higher Realms is planned and great blessings for those who attend will be experienced, as we will explore whole new ways of sounding. This day marks an auspicious point in the evolution of the Canadian soul group where Blessings and Grace, Good Fortune and Luck all shine brightly down upon us in order to acknowledge us for the efforts of the past. It is a time, when we devote ourselves to a new kind of praise through new Ghandarvas, a time where we can create incredible blessings for ourselves, Canada, Mother Earth and Humanity as we integrate the energies of the workshop. Let's join and celebrate. Namaste!
